

HR RECRUITING

Helping new recruiters hire with confidence

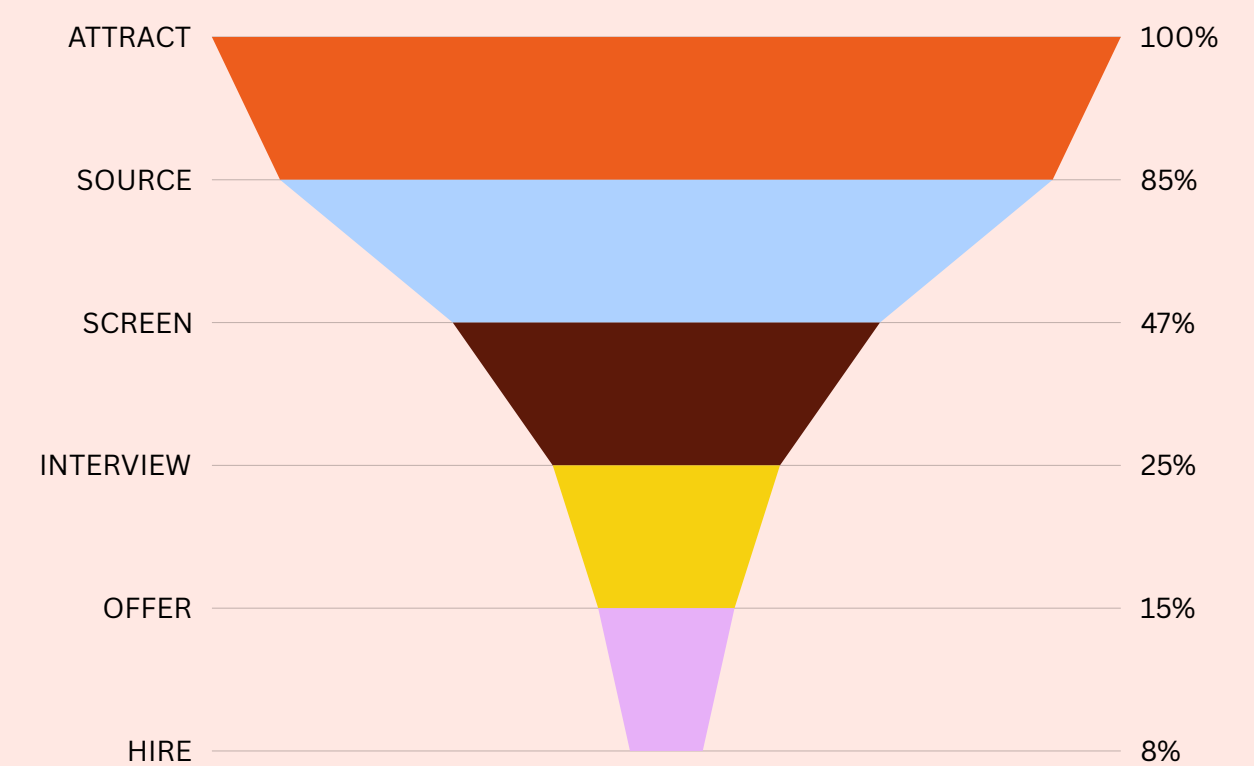

WHY THIS PROJECT?

I wanted to help fellow graduates learn more about the world of recruiting and hiring as they entered the HR world and the different techniques that can be used to help companies.

WHAT'S INSIDE?

Everything from the life cycle of recruiting all the way up to making the actual offers yourself. The chapters in this booklet can introduce anyone to the details of recruiting and how to be a pro.

HOW IT HELPS

We want you to be confident, avoid common mistakes and most importantly make informed decisions and help companies bring great people onto their teams and create strong culture no matter where you go!

KEY TAKE AWAYS

The key take away's from this booklet will bring better communication skills, help you create good habits in recruiting and lastly understand how to source the best talent!
